

### WakeMK Kicker and Slider Form

Anyone wishing to use kickers or sliders at WakeMK must have read, understood and signed this sheet.

#### PLEASE READ THE FOLLOWING TERMS

Using kickers and sliders can be dangerous and can increase the risk of injury.

Sliders and kickers are present on the lake for experienced riders and are used at the riders' discretion and entirely at the riders' own risk.

WakeMK cannot accept any responsibility for injury caused whilst using them.

Helmets must be worn at all times – no exceptions.

Anyone wishing to use any kicker or slider must have completed an initial assessment by a member of WakeMK staff.

Please note that most manufacturers' warranties are voided when equipment has been used on kickers or sliders (please refer to manufacturers for any exceptions).

Rental equipment is not to be used on kickers or sliders – no exceptions. Use of WakeMK equipment on kickers or sliders will result in voiding of WakeMK's warranty on those products and you will be asked to cover the cost of replacement equipment.

Anyone deemed to be using kickers or sliders in a dangerous manner will be asked to leave the site without refund.
